

FREQUENTLY ASKED QUESTIONS

Alliance for Clinical Trials in Oncology Foundation

What is the mission of the Alliance for Clinical Trials in Oncology Foundation?

The Alliance for Clinical Trials in Oncology Foundation (Foundation) is a nonprofit, tax-exempt foundation formed for the primary purpose of aiding the Alliance for Clinical Trials in Oncology (Alliance) national clinical trials cooperative group. The Foundation supports the clinical trials and laboratory research of the Alliance, as well as efforts to educate the medical community on methods of cancer diagnosis, treatment, and prevention. The results of Alliance research are made available to the public.

What is the maximum indirect cost allowed by the Alliance for Clinical Trials in Oncology Foundation?

It is the policy of the Alliance for Clinical Trials in Oncology Foundation to allow an Alliance institution to retain up to 10% of funds received from the Foundation to offset indirect costs.

Are donations to the Alliance for Clinical Trials in Oncology Foundation tax deductible?

The Alliance for Clinical Trials in Oncology Foundation is a Public Charity recognized by the Internal Revenue Service as a 501(c)(3) tax-exempt organization. Gifts to the Foundation are tax deductible to the extent permitted by law. The Foundation will send an acknowledgment of your donation that should be provided to your income tax preparer for handling.
